## QUESTION NO 1:

### Indian Cricket Team:-

Cricket is a game and in game there is a winner or a loser.

We can be a winner or a loser sometimes but taking a game that much serious is not right.

The Indian nationals and society hased the cricket team on electronic, print and social media these are the behaviour of illiterate people and they even criticize Muhammad

Shami that is unethical and immoral also. If a nation didn't support his team on failiure then ~~with~~ how can they even support them in thoughttime. An there is no legal law relate to these action that if a team fail then we will go that mess.

## QUESTION NO 2:

If my team would have performed poorly. We will try to not do these type of things and not to bashed or misbehave like the Indian nation did. Win or loose are the part of game. If one wins the other loose. We will try to encourage our players not to loose their hearts and next time prove themselves. Maybe some players are facing mental and health issue.
